

THE SOAK

Fabric Stain Remover

INGREDIENTS

- 1 Cup **Biz** Color Safe Bleach
- 1 Cup **Cascade** Dishwasher Detergent (not platinum or ultra)
- **Hot Water** enough to cover

FAQ: CAN I MIX LESS?

YES, JUST KEEP THE MIX 1 TO 1.

PROCEDURE

01

Measure 1 cup of each Biz and Cascade. At the same time run hot tap water to get it as hot as possible

02

Mix until all the detergent is dissolved or at least as dissolved as possible.

03

Submerge fabric in the soak and leave overnight

04

Drain and rinse . If stain is still present repeat process

05

Once the stain is gone launder as usual to ensure all the detergent is removed from the fabric.
